

CHAPEL SERVICES

Our chapel services are held each Wednesday at 11:00AM. Each service features a speaker from our faculty, alumni, graduate students, and guest speakers chosen and scheduled by our Dean of Chapel. When available, our ministerial students serve in chapel by leading the responsive reading, praying, singing, and helping to collect the weekly offering. Weekly attendance is mandatory for our on campus students and off campus students are encouraged to attend when in the area.

For more information about our weekly chapel services, please contact our Dean of Chapel:
