Housing Agreement

1. A housing assignment is contingent upon acceptance to the University. No housing will be considered until the Office of Admissions has officially accepted the applicant to the University.
2. Once a student is assigned housing accommodations, the contract will be awarded for room and board (meal) charges for the entire academic year.
3. Requirements: Each applicant must submit an application and cover letter for housing before receiving a room assignment. Continuing students will not be issued a room assignment until all financial obligations have been cleared in the Business Office.
4. Housing Applicant Deadlines: Fall Semester: March 10th; Spring Semester November 10th. Assignment Procedures: Every effort will be made to honor the applicants' roommate assignment. However, a particular room is not guaranteed. Due to limited spaces on campus, the university reserves the right to assign students two-to-a-room. Space in the residence hall is assigned on a first come, first served basis. Freshman students will be given first priority in assignment. Students assigned to a special group (e.g., Athletes, Choir, etc.) are subject to roommate placement with a member of their group rather than a requested roommate. *The University reserves the right to change a student's room assignment during a contract period, particularly when a student is in a single room. The university also reserves the right to deny housing privileges to students who have been involved in disciplinary incidents.*
5. Selma University reserves the right to enter into any dorm room to search for, seize and retrieve contraband, weapons, drugs, etc. which are illegal or hazardous to the students, faculty and staff.
6. Cancellations and other notices: Cancellation of application should be made in writing directly to the Office of Admissions, Selma University, 1501 Boynton St., Selma AL, 36701. To move out of the residence hall, the student must fill out a withdrawal form with the residence hall manager.
7. Proof of health insurance and a recent physical signed by a licensed physician MUST be on file in the Office of Admissions for each residence hall student by the second week of semester. *If specially prescribed medications are used or if you have a particular illness, please notify the residence Hall Manager upon arrival.*
8. Selma University is not responsible for items stolen from student dormitory rooms, bathrooms, lounges, laundry areas or other areas inside or surrounding the dormitory.
