

The Stone-Robinson Library

November 2023 Reading List

Welcome, Selma University Faculty, Students and Staff!

The SU library staff realize it is nearing the end of the semester, and you are busy people, but at some point you may find yourself looking for a good book to read – one that is not an assignment for a class. When you are, we'd like to invite you to peruse this month's edition of the November Reserves Reading List. The Reading List are titles on reserve in the library available for reading in the library!
